Cornerstone Support Services to open NEW Supported Living service in Mechanicsville. Now hiring 4 employees for first Mechanicsville location.

Cornerstone is a Non-Profit, 501(c)3 Provider of Support Services for Adults with Developmental Disabilities. They are licensed by Virginia's Department of Behavioral Health and Developmental Services (DBHDS).

Beginning New Service

Cornerstone's goal is to help people work toward independence thru:

- **Array of Services**
- **Supported Living**
- **Group Homes**
- **Transportation**

Cornerstone aims to enrich the lives of the people they serve by providing a safe and healthy environment, conducive to personal choice. By providing a safe and healthy support structure they know that recipients will be empowered to live self-directed lives!

Residential Services

Group homes are beautifully decorated and situated in desirable neighborhoods and communities. Typically, 3 or 4 people with development disabilities share the home. Cornerstone provides around the clock support. DSP's are the direct support professionals who staff the home.
